

Who We Are

As an extension of a local church, our goal is to serve the students of Truman State University and to **equip** young people to do God's work in the earth both locally and abroad.

"And He gave some as apostles, and some as prophets, and some as evangelists, and some as pastors and teachers, for the equipping of the saints for the work of service, to the building up of the body of Christ, until we all attain to the unity of the faith, and of the knowledge of the son of God, to a mature man, to the measure of the stature which belongs to the fullness of Christ."

—Ephesians 4:11-13

The PEACE Afterschool Program

Adopted as a service project of Equipped, the Peace Afterschool Program is a nonprofit afterschool program. It seeks to serve kids and families in Kirksville, MO, by going to the neighborhoods to promote learning and excellence in academics and life skills by providing Christian-based education assistance in a safe environment that promotes self-worth, respect, and responsibility. Its mission is to help young people foster bright dreams for their futures and to develop the skills necessary to become caring and respectful citizens able to better serve their community.

EQ Prayer

It's our desire to see students at Truman State University walk in an active daily relationship with God. By preparing a place that people can seek God and pray, we are hoping to help facilitate prayer and worship on our campus. Every Tuesday from 8-10am we will have a room on the third floor of the SUB set aside for people to come pray and spend time with God. These times are open to all who desire to find a place where they can spend time praying and seeking God.

If you have a prayer request, please email it to eqprayerrequests@gmail.com. For more info or question, please email truman.eq@gmail.com.

Life Groups

We believe that God has designed us not to just walk in relationship with Him but with people that He has placed in our lives. God desires a family of people on the earth that walk in relationship with one another through serving and loving each other. Once a week we come together to eat dinner, fellowship, and worship at an off-campus location with different families that are committed to seeing us students be equipped for the call of God on our lives. So, if you like free food and are looking for a family while you are away from home, let us know and we will do our best to make sure that you can join us on these nights.

Life Church

EQ was born from the vision of a group of Truman students that attend Life Church of Kirksville. With the families of this local church, these students wanted to reach out to their fellow classmates and teachers by living as people who walk in daily relationship with God while being tied to people in the family of God in a local church. For us, our local church is Life Church, which is located at 112 W. Potter Avenue. and has services at 10am on Sunday mornings.

If you are interested in learning more about Life Church, feel free to check out our website at lifechurchkv.org or email truman.eq@gmail.com, especially if you have any questions.
